SCHOOL PHILOSOPHY

- We believe that the middle school student is distinctively different from an elementary or high school student, and that our major purpose at Lake Butler Middle School is to aid the student in making a successful transition from elementary school to high school.
- We believe that LBMS programs must be diverse in nature to meet the needs of a changing society.
- We believe in open lines of communication with parents, students, and staff members.
- We believe that a student’s self-esteem is of prime importance.
- We believe that students and teachers must have respect, courtesy and caring for one another.
- We believe in instilling in students the desire to attain excellence in academics and in the fine and practical arts, which will provide them with the tools for a lifetime of learning.
- We believe that a positive school climate includes a safe and orderly environment and helps insure that students have a successful school experience.

IMPORTANT THINGS TO KNOW

STUDENT LIFE AND ACADEMICS

Our goal is to prepare students for productive and satisfying careers, family lives, and participation in a larger community. Our purpose is best achieved through a foundation of rigorous academics, a wide variety of athletics and activities, and a constant focus on values such as respect, responsibility, dedication, and tolerance. Every student has unique educational needs and goals, and our programs offer the flexibility and high expectations to empower all students to succeed.

CLASSROOM PROCEDURE & GENERAL CONDUCT

Students are expected to behave at all times in a manner that will bring credit to themselves, their team, their school, family and community. It is important for students to recognize that they are responsible for their behavior on the way to and from school, during school hours, on the bus, and at all school events. Students are expected to use appropriate school language and volume. The LBMS staff will help to monitor student behavior and provide a safe and productive learning environment. We want students to develop habits of mind that reinforce The three R’s - Respect, Responsibility, and Ready to Learn.
CHEATING AND PROVIDING FALSE INFORMATION
Cheating and Providing False Information: Students involved with cheating on any form of assignment, assessment, etc. will receive no credit (a zero) on that assignment, assessment, etc. Note: This is considered an academic violation and not a discipline issue.

TECHNOLOGY VIOLATION
A Technology violation involving cheating and or altering official school records and/or other students’ records, such as assignments, assessments, etc., will result in loss of credit (a zero) and may be subject to disciplinary action.

CLASS CHANGES
Classes may be dropped or added during the first two weeks of each semester without penalty. All class changes must be processed by Mr. Peeling, the School Guidance Counselor. Sign up in the “PURPLE BOOK” in the front office. Mr. Peeling will send for you.

REPORT CARDS
Report Cards and Progress Reports: Progress reports will be posted in Skyward at the mid-point of each nine-week grading period. Report cards will be posted one week after the conclusion of each nine-week grading period. You may visit the school calendar on our website to view when mid-term reports and report cards will be posted in Skyward.

FINANCIAL OBLIGATIONS
A student owing money for library fines, textbooks, class dues, etc., must meet his/her obligations when due or make arrangements with the principal. Past due obligations will be placed in the student’s file. Any student with outstanding financial obligations will not be allowed to participate in school activities or events such as prom, graduation, etc.

NEWSLETTER
The school newsletter provides an opportunity for the school to share information about academics and activities with parents and the community. The newsletter is published weekly and may be viewed on Skyward.

HATS & CUPS
Students are not allowed to have hats, caps, scarves, or bandanas. These items have become a growing problem despite our attempts to work with students to minimize these distractions. Similar to a cell phone violation, if the student does not willingly turn over these objects, it will result in a discipline referral and elevated response and action in discipline. The following items will be handled in the following fashion:

Cups:
Disposable cups (i.e. Polar Pops) and soda bottles, etc. will be thrown away. Insulated cups will be confiscated and parent/guardian will have to pick up the item from the school. If student refuses to throw away or hand over the item, this action will result in disciplinary action. Students may have water only in clear containers.
Hats and head coverings:
The wearing of hats, hoodies, scarves, bandanas, etc. is a dress code violation and is not allowed on campus except on designated Hat Days for $1.00. If a student is found to violate this rule then a discipline referral will take place. They should be left at home to avoid confiscation and/or discipline. This also applies to before, during, and after school on school property. Even if a student has a hat in their possession and is not wearing it, the hat is subject to confiscation. Your cooperation in this matter would be helpful in order to avoid future problems.

INFORMATION PACKETS
Information packets/envelopes will be sent home with each student the first day of school. Packets will include: Student Planners (If your planner is lost there will be a cost of $5 to replace it), 2018-2019 Student Eligibility Questionnaire- McKinney Vento Act, Cafeteria Information Sheet, Union County District Schools Student Health Information form, Student Release for use of image or voice, Computer Opt-out form (by signing this form you are saying the student may NOT use a computer), Dental forms, etc.

ACCELERATED READER
To provide more opportunities for students to read, LBMS will be participating in the Accelerated Reading program this year. Students reading levels will be assigned after completion of the STAR test, which provides an independent reading range for each student. Bookmarks with the students reading range will be given to each student to check out books from the library. Reading points will be required for each student to complete each 9 weeks based on their reading level and a grade will be assigned in the homework category to reflect student progress. Students may take A.R. test in their Language Arts class only.

NURSE/CLINIC
The clinic is located in the "F Wing" in Room 502 and the phone number is 352-448-5157. The clinic will be available to students who become ill at school, receive an injury at school, or must take prescribed medication. No student will be allowed in the clinic without a pass. Clinic personnel must make contact with a parent or guardian before a student will be allowed to leave. All medications (in original package) should be turned in to the nurse by a parent or guardian along with an Authorization for Medication – Prescription and Non-Prescription form. The clinic does not provide medication of any kind. *Please make sure you keep emergency contact information up to date throughout the year in case your child becomes ill or has an emergency so you can be notified immediately. This information is maintained in Skyward. The parent/guardian may update the information on their family login or see Stephanie Graham in the front office. You must bring a note to the front office for any classes missed from being absent due to being sent home by the nurse for your absence to be excused.

HALL PASSES
Students must have written permission in their planner from a teacher or administrator to be outside the classroom during class hours.

RESTROOM POLICY
Restrooms are designated according to grade level, not classroom. There are designated restrooms for 7th and 8th graders, and 5th and 6th graders. You must have a restroom pass from your teacher to use the restroom during class hours. Students are not allowed to leave the cafeteria to go to the restroom. Students must use their designated restroom area. Students are not allowed to use their cell phones in the restrooms. Students are not allowed to "play" in the restrooms!
CELL PHONE/ELECTRONIC DEVICES
Students' use of cell phone during school hours is strictly prohibited. Cell phones should be put away during school hours. Any cell phone that “rings” or is being used during school hours will be confiscated, a referral will be issued, and only a parent/guardian (who is listed on the student’s emergency contacts) may pick it up from the Assistant Principal’s Office. Electronic devices such as iPods, MP3 Players, recording devices, lasers, beepers, etc. are also not allowed at school at any time. These devices must be out of sight. They are not to be in pockets sticking out. If seen, they will be confiscated and a referral will follow. Earbuds may only be used for school related assignments. Students may use their cell phones outside the school building after school dismissal. Cell phones are not to be used in the restroom. (See Student Code of Conduct Section 5- Digital Code of Student Conduct page 20. Cell phone usage to video any act at school will be subject to the same discipline measures as those students in the act see Code of Conduct page 8).

TELEPHONE/MESSAGES
The office telephones are for school business only and may be used by students only in extreme emergencies approved by the administration. Students may NOT use the phones in the teacher’s classrooms. Students will not be called out of class to receive personal phone calls. Students will not be allowed to use the phone to call for items left at home. If you need to get a message to your child, please call before 1:30 p.m.

Please call only in EMERGENCY situations.

PARENTS...PLEASE MAKE YOUR STUDENT AWARE OF ANY CHANGES IN “PICKUP” ARRANGEMENTS BEFORE STUDENT COMES TO SCHOOL!

FOOD AND DRINK
Students are not allowed to have food/drinks, other than water in transparent containers, in their classrooms. Glass containers are not allowed. The food and drink rule will be strictly enforced!

GUM CHEWING
Gum chewing is NOT ALLOWED. Careless disposal of gum and candy on furniture, walls, sidewalks, and floors presents sanitation, cleaning problems, and property damage. If a student is found with gum, they will be asked to dispose of it on the first offense. The second offense, a tracking form will be issued.

HARASSMENT
Bullying and harassment are not allowed. Specifically, no student, teacher, or other person under our supervision may discriminate against another person or single him/her out for mistreatment based on race, religion, nationality, sex, age, or handicap.

PERFUMES/AEROSOL SPRAYS
Some students have an allergy/reaction to perfumes, aerosol sprays (such as deodorant, hair spray, etc.) and lotions. Students are to only use these items in the appropriate locations, such as the restroom or in the locker room. They are not to be out in any other area. Thank you for your prompt attention to this health matter.
PARENT - TEACHER CONFERENCES
Students will benefit greatly from coordinated home/school effort. Parental involvement is vital to a student’s academic and emotional growth. Parents are urged to call the school when there is a concern about their child.

To make an appointment for a parent-teacher conference, you may call the Guidance Secretary at 352-448-5187. Parents are encouraged to check student progress on the internet by going to the District Webpage and clicking on the SKYWARD FAMILY STUDENT ACCESS CONNECTION at the top of the page. Login and password information for students and parents may be picked up at the front office by a parent/guardian.

SKYWARD- PARENT/STUDENT
Once you have obtained login/password information parents & students will have access to update contact information, view attendance, grades, discipline, etc.

STUDENT DRESS CODE
All students attending Union County Schools are required to dress in a manner that provides proper attention to health, safety and orderly conduct of activities of all students, to avoid disruption and the orderly administration of the school program. Students should be properly groomed and attired while on school property or participating in any school activity. Students out of dress code must report directly to Mr. Scaff’s office. Parents will be contacted. Clothing or accessories, which are inappropriate, are detrimental to the health or safety of students, faculty or staff are expressly prohibited. In addition to the general policy just stated, these specific policies will be enforced at all Union County School District properties:

- Attire that exposes the midriff (front and/or back) and cleavage are not allowed.
- Sleeping attire is not permitted at school. This includes, but is not limited to: pajama type pants, tops, bedroom shoes or blankets.
- Trench coats are not to be worn at school.
- Revealing, see-through, T-back, or clothing that exposes the torso or cleavage is not allowed.
- All clothes must cover all undergarments at all times.
- Clothing with words, phrases, symbols, pictures, or insignia that are offensive, obscene, profane, and/or suggestive or is drug, tobacco, alcohol or gang related is strongly prohibited.
- Shoes must be worn at all times.
- All headgear is prohibited. This includes sunglasses, hats, hoodies, scarves, bandanas, doo-rags, curlers and combs or picks. Medical exceptions are allowed with proper documentation from a medical doctor.
- All clothing and shoes should be clean and in acceptable condition.
- Holes in pants must be no more than 4" above the knee. Skin cannot show through the holes. Holes must not be in the upper thigh region regardless if leggings are worn. Also, paper does not suffice in covering up holes. Patches must be ironed or sewn in areas of improper holes.
- Marks on exposed skin is prohibited (ie: writing with markers, pens, etc.).
- Leggings may not be worn at any time, unless the shirt and/or dress worn over them covers to 4 inches above the knee.
**Male Dress Code**

**Shirts:** All shirts must have sleeves. There will be no shirts with sleeves cut out unless a shirt with sleeves is worn underneath. There will be no muscle shirts.

**Shorts/Pants:** All pants must be worn at the waist. Underclothing must not be seen. If pants are too big (sagging pants) a belt must be worn to keep pants up to waist. (See House Bill 61/Senate Bill 228 in the Student Code of Conduct).

**Female Dress Code**

**Shirts/Blouses:** All shirts/blouses must measure 2 inches or more across the shoulder. No layering to create a 2 inch shirt is permitted. If multiple shirts are worn, one of the shirts must measure 2 inches. So therefore, NO spaghetti straps, halter tops, backless, crop, strapless, see through lace or tube tops will be able to be worn alone. They must be worn with a shirt underneath or on top that meets the dress code. The neck of all shirts must be no lower than tip of arm pit. The bottom of shirt must cover skin at all times. (Standing or sitting). Shirts/blouses must not come off the shoulder. Undergarments must not be seen through shirts/blouses. Cleavage must be covered.

**Shorts/Skirts/Pants:** Must be not more than 4 inches above the knee. Pants, shorts, or skirts with holes must be no more than 4 inches above the knee. All must be worn at the waist at no time should your undergarments be seen, especially when sitting. Undergarments must not be seen through pants, shorts, or skirts. Leggings/jeggings/yoga pants, are allowed as long as proper attire is worn over them and meets the dress code covering at least 4” above the knee.

**NOTE:** The decision of school administrative staff will be final in determining whether any student’s clothing, jewelry or accessories are deemed inappropriate, unsafe, or disruptive.

**BEFORE AND AFTER SCHOOL POLICY**

Students who report to school before 7:30 a.m. are NOT supervised. Parents need to be advised not to drop students off before that time. When arriving to school, those students wishing to eat school breakfast should report to the cafeteria and then report directly to their assigned area.

**After School Activity:** Upon dismissal from school all students who do not have a club, athletic, or organization meeting must exit the campus no later than 3:15 pm. Students participating in an organized meeting must report to their designated areas by 3:15 pm. All students must exit the campus within 10 minutes of the time in which they are dismissed from their after-school activity. Any violations of the above items could result in disciplinary action.

**ATTENDANCE- “You Miss School-You Miss Out”**

It is important to be in school every day. If a child is not in school, he or she may be showing early signs of truancy through a pattern of non-attendance. A student may be establishing a pattern of non-attendance when:

He or she has an accumulation of tardiness, early sign outs, and/or 5 absences (excused and unexcused) in one 9-week period, or he/she has 5 unexcused absences in 30 calendar days or 10 unexcused absences in 90 calendar days (F.S. 1003.26(b)). However, a student does establish a pattern of non-attendance when he or she has an accumulation of 15 unexcused absences within 90 calendar days, with or without a parent’s knowledge. The student is considered a habitual truant (F.S. 1003.01 (8)).

Attendance is taken every period. If your child is not there, he/she will be counted as an unexcused absence. Your child is required to bring in a note in order for the absence to be excused. Your child is also responsible for getting all make-up work from their teacher, completing it, and turning it back in!
EXCUSED ABSENCES

A student's absence will be considered as "excused" if it falls within the following categories. Written documentation must accompany the student to school within two days following the absence in order to be considered excused. Phone calls in lieu of a note will NOT be acceptable. All notes should be turned in at the gym when students arrive at school, or to Mrs. Minnie in the front office.

1. Illness of a student, documented by a licensed physician, mental health professional or health department employee.
2. A copy of a funeral notice or obituary accompanied by a note from the parent/guardian indicating a death in the family resulting in the absence of a child.
3. Absence due to the need to participate in legal proceedings.
4. Absence due to participating in a previously authorized activity.
5. Absence due to religious instruction as part of one's faith. This documentation must be submitted PRIOR to the religious observance.
6. Student may be excused from school for a maximum of 5 days per year if the parent writes a note documenting the reason. It is the student's responsibility to turn in a note and to get make up work.
7. Students must be in attendance at least 4 periods during the school day to be counted present at school and to participate in sport activities that day.
8. Perfect Attendance - Student must be present in every class period of each school day throughout the year to earn PERFECT ATTENDANCE.

UNEXCUSED ABSENCES

Absences for the following reasons will be considered unexcused:

1. Absences due to suspension.
2. Absences not related to student or family illness.
3. Absences not related to death within the immediate family.
4. Any absence, regardless of reason, for which written documentation is not provided within 48 hours of return to school.

*It is the student's responsibility to get their make-up work for an absence.

TARDY

If a student is late to class and does not have an excused note, he/she is considered tardy. If he/she is late to the point that he/she misses more than half the class and does not have an excused note, it will be counted as an unexcused absence for that class. Excessive tardiness will result in disciplinary consequences.

MAKE UP WORK

Students will have two days for the first day of absence, and one day thereafter for each additional day of excused absence to complete make up work (example: 3 days excused absence will mean 4 days to complete all work).

It is the responsibility of the student to make arrangements for completing the classroom work assigned during his/her absence.

The consequences of a student's failure to make-up work within the allotted time following an excused absence are:

- Zero grades will be given for all assigned work, including tests and/or exams.
- Teacher/Student conference.
- Parent notification.

Teacher grade books will be the final authority in determining the number of absences for each student.
DISCIPLINE
The Code of Student Conduct defines categories of misconduct and sets a pattern of progressive discipline for disobedience of classroom, school, or bus rules and School Board Policy. It will apply to misconduct that occurs at school, on the way to and from school, or at any school-sponsored activities. Misbehavior exhibited by students will fall within three categories:

<table>
<thead>
<tr>
<th>Minor Infractions</th>
<th>Major Infractions</th>
<th>Severe Infractions</th>
</tr>
</thead>
</table>

All infractions are cumulative throughout the school year. Teachers will use a variety of methods in the classroom in an effort to correct minor misbehavior. These methods may include parent phone call, verbal reprimand, change in student seating, private conference with student, behavior contract, confiscation of unauthorized article, conference with guidance counselor, conference with school resource officer, written communication to parent, and parent conference, all of which is documented on a TRACKING FORM (The teacher will document the incident and will make parent contact). On the 4th Tracking, the student will receive a DISCIPLINE REFERRAL. The teacher may AUTOMATICALLY initiate a DISCIPLINE REFERRAL if he/she deems it necessary. Major and Severe Infractions will be referred to the office immediately with a referral. Tracking forms only pertain to on campus violations. Tracking forms are not utilized for transportation or school-sponsored activity violations. Transportation and school-sponsored activity violations would fall under infractions.

INFRACTIONS
Infractions of school rules or other discipline issues may result in punishments including, phone call to parent, in-school suspension, out of school suspension, discipline notices sent home, parent/teacher conferences, corporal punishment, work detail, and expulsion.

STUDENT PICK-UP
Parents/Guardians must have a photo ID AND be listed on the student emergency contact information in order to check-out the student during the school day. This is done to ensure the safety of your child. Please do not send someone who is not listed on the emergency contact information to pick up your child, as they will not be allowed to do so. If at any time you have changes that need to be made on your Skyward information, please notify Stephanie Graham in the front office. Students are not to go to the bus ramp, LBMS Faculty Parking area or the UCHS parking area to be picked up by a parent.

CAR RIDERS
The car pick-up area is located at the west side of the school (to the left of the school). You can enter on S. W. 4th Avenue. We have staff on duty at this area for students. Please DO NOT drop off/pick up students around the front circle of the school (designated for our handicapped students), by the gym, or in the teacher parking lot. This is a safety issue!

WALKERS
Students who walk to and from home must enter/exit the front of the school. These students may not be on the bus ramp.
**BUS PRIVILEGE**

Students who are transported to and from school are expected to follow the bus rules of safety and behavior. Students may only ride their assigned bus. Students may not ride a bus home with friends without prior written approval from parents. Students are to submit written approval to school personnel in the gym when arriving to school. A bus pass will then be issued. **Bus service is a privilege that can be revoked for inappropriate behavior on the bus, at a bus stop, or anywhere else that endangers the safe transport of students between home and school.** Students who do not follow the bus rules may lose their privilege to ride the bus. Students who do not ride the bus should not be on the bus ramp at any time. Students are not to go to the bus ramp, LBMS faculty parking area or the UCHS parking area to be picked up by a parent. Also, students are to walk down the bus ramp and not go behind the buses to cut through. This is a major safety issue.

**TECHNOLOGY GUIDELINES**

Computers, Chromebooks, Internet access, and other technology will be made available for approved educational purposes. Inappropriate use or abuse will result in suspension of privileges and/or disciplinary action. Students will be held responsible for any damages to school property/technology and will be required to pay for and replace the damaged property. Go to [www.Union.k12.fl.us](http://www.Union.k12.fl.us) Student Code of Conduct Section 5 for details.

**SOCIAL EVENTS**

Throughout the year, different organizations will sponsor social dances, activities and other events to raise funds, encourage school spirit, and celebrate appropriate occasions. Participation in such events is a privilege that may be suspended for discipline issues. All school rules apply at such events. Parents are also encouraged to pick their child up at the assigned time. **If a student has ISS or OSS on the day of the social event, they may not attend.**

**CAFETERIA**

Students are expected to follow cafeteria rules while in the cafeteria for breakfast or lunch. Students are not allowed to leave the cafeteria once they enter with their class. Students may not take anything out of the cafeteria. It must be consumed in the cafeteria! **Cafeteria workers are to be treated with respect at all times.**

**BREAKFAST IN THE CAFETERIA:** Students are offered breakfast before the school day starts. Students who would like breakfast should report to the cafeteria when arriving at school, then report to the gym. The student’s ID number will be in the same manner as it is during their lunch.

**LUNCH IN THE CAFETERIA:** Well-balanced lunches are served in the Cafeteria. If you bring your own lunch, you can purchase milk or a beverage. Microwaves are available for students in the Cafeteria.

**PBS Events**

Throughout the year, LBMS will reward the students who reach goals for certain 9 week grading periods. Students must meet expectations in order to attend. Expectations are announced well in advance so students can work towards meeting the requirements to attend. Students who do not meet the requirements will have assigned work stations to attend.
